

Montval[®] AQUARELLE

310 gsm

No Optical Brighteners

Canson's Number One watercolour paper is now an integral part of the Canson Infinity Digital Fine Art & Photo Portfolio.

This genuine cold-press watercolour paper is specially coated for stellar inkjet printing performance. Being both acid and OBA - free, the paper is naturally age resistant.

Montval[®]'s watercolour texture and warm white tone lend subtlety to photographic reproductions and render art reproductions accurately and beautifully, with excellent colour.

Product Features & Benefits

- Compatible with pigmented and dye inks
- Dries instantly
- Water resistant
- No Optical Brightening Agents to ensure consistency of shades for generations
- Designed to meet galleries and museum longevity requirements and respect the ISO 9706 standard:
