

# Pacific Image ImageBox Plus 3-in-1 Slide, Film & Photo Converter

- The next best thing to the commercial digital solution -

Works with both  
**Mac & windows**

## Product Information:

Dimension: 12.5" x 12.50" x 9.50"

Weight: 5.6 lb

UPC: 649899001516

Made in Taiwan

The ImageBox Plus Film/Slide/Photo Scanner by Pacific Image converts 35mm slides, and film plus photo prints up to 4 x 6" to digital files. This handy 3-in-one is easy to operate with the included Cyberview Scanner Driver. The PLUS is Magic Touch, a powerful technology that is engaged with a touch of a button to detect and eliminate dust, scratches and other flaws, restoring your image to its original beauty. Once scanned to a digital file, the included Adobe Photoshop Elements 5.0 software is ready to crop, enhance, convert photo files to different formats and make them ready for printing from a PC.

## Product features and benefits

- Convert Film, Slides, Prints to Digital Files
- Easy To Operate with Included Software
- Compatible with Windows & Mac OS
- Small, Lightweight and Portable
- Very high quality images

Magic Touch, the proprietary technology developed by Pacific Image Electronics. It's the built-in hardware solution without software touch-up and automatically remove dust & scratches from damaged film and slides.
